Relocated to Better Serve Our Community

### Our Mission & Story

#### Our Mission

To combat hunger and give hope to those in need.

#### Our Story

For over 43 years, Illinois Valley Food Pantry has been a vital resource for individuals and families in the Illinois Valley. We serve thousands each year with emergency food assistance, offering support with respect and compassion.

### Thank You

Thank you for supporting local families. Your generosity makes it possible for us to continue feeding hope and meeting real needs in the Illinois Valley.

### Why We Needed a New Home

Our previous building no longer met the growing demand for food support in our community. After a two-year search, we have purchased a permanent home located at

**4133 Progress Blvd., Peru, IL 61354**

that will allow us to:

- Expand food storage for fresh and nonperishable items
- Improve accessibility for all clients
- Offer a welcoming and dignified shopping experience
- Support our dedicated volunteers more efficiently

### How You Can Help

Join the "Feeding the Future" Campaign. Our goal is to raise \$750,000 to fund the building purchase, necessary renovations, and expanded food programs.
